Many universities are now requiring (or "recommending") that applicants take at least two of the SAT II Subject tests. In addition, high scores on these assessments can help to enhance your college application and/or potentially place you out of an introductory college course.

SAT II Subject Tests: Free Downloadable Printable PDF

Notes: (1) A basic SAT math strategy that every student should know is "plugging in the answer choices." To use this strategy, we simply try out each answer choice until we find the one that works. If we have no other information we would generally start with choice B or C as our first guess.
