

### **a book of private pdf**

This book is an examination of the importance of writing and self-reflection as a means of forging identity. It mourns the loss of the diary as an acutely private form of writing. And it champions it as a conduit to self-discovery, allowing us to ask ourselves the question: Who or What am I in relation to the world?

"A Private View is the realisation of Wolfers' ambition to record his many and varied experiences in the art world. His own memories and anecdotes are artfully edited by Julian Halsby to create a book which illustrates how the gallery was created and sustained to become an important element in the history of post-war British art."
