An artist's catalog of works is a very valuable tool, not only for helping one organize and track their work, but also to help you share your work with the public. You can use your artist's aesthetic to create a unique and visually appealing catalog that enhances the impact of your art.

### **How to Make a Catalog of Artwork | FeltMagnet**

Volume III is the first catalogue to be published in a new three-volume series, of which Volume I includes paintings by artists born before 1815 and Volume II consists of paintings by artists born from 1816 through 1845.

### **American Paintings in The Metropolitan Museum of Art. Vol**

The final volume devoted to the Metropolitan collection of French paintings covers the period from Moreau to Picasso. Following the precedent of the other Museum paintings catalogues, this book is designed to provide comprehensive information in compact form, and includes a brief biography of each artist and a comment on each picture, followed by technical and bibliographical data.
