

a child a family pdf

has remarked that American family law is middle-class, mid-western and middle-aged. Nowhere is this more evident than in the response of the law to changing family forms. A reference to "family" is usually to a traditional model of a mother and father, married to each other and their biological or legally adopted children.

What is a Family? (pdf) - Purdue University

The family system is a basic unit of society that has evolved along with changes in the needs and demands of the individuals and society (Kozłowska & Hanney, 2002). As the smallest social unit of society, the family has been instrumental to the development of cultures and nations.
