The Access to History series was conceived and developed by Keith, who created a series to cater for students as they are, not as we might wish them to be™.

Access to History: From Kaiser to Fuhrer: Germany 1900

This volume examines a number of themes central to 19th-century social and political history in Britain. Looking in detail at the 1834 reform of the Poor Law, the author also considers the context in which the Poor Law was framed and the social values of those who supported and opposed it.
