Adrift is the first in the Staying Afloat series and right away I drew positive parallels between it and the Chaos Station series. Both contain crews of plucky space adventurers who bend the law in exchange for a measure of freedom in space. Additionally, both have fairly strong characters and do a good job of setting up future series additions.

Adrift (Staying Afloat, #1) by Isabelle Adler

Adrift (Staying Afloat Book 1) Kindle Edition ... These facts (along with the fact that the title page of the novel identifies this as book one of a series called Staying Afloat) make me think that Adrift is likely the first in a serial-type series of novels. Though I haven't found any other indication of this, I hope it is the case, as there ...
