

african cities reader ii pdf

The aim of this second instalment of the African Cities Reader is to provide a space to illuminate emergent urbanisms of Africa in its continental and diasporic richness. The leitmotif of the contemporary globalising era is mobility, which references the incessant circulation of goods, services, ideas, technologies, imaginaries and money.

AFRICAN CITIES READER II

The African Cities Reader II: Mobilities and Fixtures is the second installment of this biennial publication that brings together contributors from across Africa and the world to challenge the prevailing depiction of urban life on the continent and redefine cityness, Africa-style.
