### **Age of Empires - Official Site**

Age of Empires is a series of historical real-time strategy video games, originally developed by Ensemble Studios and published by Microsoft Studios. The first title of the series was Age of Empires, released in 1997. Seven titles and three spin-offs have been released.

### **Age of Empires - Wikipedia**

Adding a persistent Home City is a significant difference in gameplay between Age of Empires III and other games in the Age of Empires franchise. Your Home City provides your colony with resources, establishes the improvements and units you can leverage, and gives you a level of control over your own destiny.

Age of Empires is one of the most groundbreaking series of real-time strategy games for the PC. Here is a complete list of all of the Age of Empires major releases and expansion packs from the original Age of Empires released in 1997 to Age of Empires Online released in 2011.

### **Age of Empires Series - Lifewire**

Once again, the Age of Empires® game series sets a new standard for innovative technology and gameplay in real-time strategy (RTS) gaming. Picking up where Age of Empires II: The Age of Kings® leaves off, the latest installment, Age of Empires III, gives you command of a European power determined to explore, colonize, and conquer the New World.
