Summary of 2017 No. 1 Document Food Security: The bottom line for the Chinese Government is "absolute security" in the area of staple grains (i.e., rice

### **China - Peoples Republic of China's Annual Agricultural**

China's agriculture policy has undergone some fundamental changes in recent years, as ambitious reductions of agricultural taxes and fees have been carried out and direct subsidies to farmers and agricultural productions have been introduced.

### **China's Agricultural Policy Transition - AgEcon Search**

Chinese officials can make policy changes more quickly, but these policies are implemented unevenly from place to place. This is especially true in how the direct payments and improved-seed subsidies are distributed.
